

## 2021 Music Project

The HPS 2021 Music Project endeavours to develop community engagement in order to support student achievement.

Thank you to our parents who are able to donate a musical instrument or a one-time financial donation towards our program!

## Donations to the School

Donations of instruments or monies are now being accepted at the school office.

The student and parent surveys showed that the instruments that students would most like to learn are guitars, keyboards and drums.

If you have any 2<sup>nd</sup> hand instruments at your house that you are happy to donate, we would be extremely happy to receive them and use them in our program.

Guitars

Drums & Keyboards
